Moorings in Catalonia 2026

PLATA MARINE

- Figures come from the rates published by each marina or club for 2026 (2025 at Port Ginesta). Reviewed in September 2026.
- Figures marked ≈ are my own calculations from a per-square-metre rate.
- Each marina includes different things (VAT, harbour fee, water and power): check the last column before comparing.

What next?

Do you have a berth to rent out or transfer?

I can list it on my website with no upfront cost. Tell me the marina and the size.

Looking for a boat and somewhere to keep it?

I can tell you which marinas suit the boat you have in mind and what to ask before you sign.
