How I see it

A 2016 Barracuda 8, Beneteau's pilothouse designed for fishing and family days out: an enclosed wheelhouse with a sheltered helm and a clear cockpit so you can move all around the boat.

It has twin Suzuki DF150 outboards with 1,054 and 1,052 hours, according to the photo of the hour meters. That is normal use for a 2016 boat. I ask the owner for the latest service invoice and it is checked before reserving.

It is on the Costa Daurada (Tarragona), with a rented berth that is not part of the sale. At 7.99 m according to the builder, the Spanish PNB licence or higher is enough; the registered length is confirmed with the papers. The price is €57,990, VAT paid according to the owner.

The photos are the owner's. I will add more of the exterior and interior soon; if you're interested before then, message me and I'll send you what there is.

Plata Marine (Juan Morante) acts as an intermediary: it does not own this boat, does not sell it in its own name or receive the sale price, and gives no warranty of its own on it. The details in this listing are provided by the owner and are indicative; the final details will be those in the sale contract. Price excludes ownership-transfer costs. We recommend a sea trial and an independent survey before you reserve. On boats in our portfolio we charge the buyer no fee.
