ITB (technical inspection)	Valid until 29/08/2027
Electronics	Raymarine ES95 (GPS/fishfinder), Raymarine Quantum radar, p70R autopilot, Furuno FCV-588 fishfinder, Himunication VHF

How I see it

A 2005 Faeton 730 Moraga built for safe cruising and fishing: a very seaworthy pilot-boat hull, with a wraparound windscreen and hardtop. The Volvo Penta KAD32P 170 hp engine has approximately 1,300 hours and had a full service with engine removal in December 2023, with maintenance records available.

Well equipped for fishing: a live-bait well with saltwater circulation, rod holders spread across the deck, two outlets for an electric reel and a 12V Italwinch electric windlass. On the electronics side it carries a Raymarine ES95 with GPS and fishfinder, Raymarine Quantum radar, a p70R autopilot and, separately, a Furuno FCV-588 fishfinder fitted in 2021.

The asking price is €28,900. With the Minn Kota Terrova electric bow thruster visible fitted in the photos, the deal is €32,900.

Located in Mallorca. Mooring not included in the deal. Can be viewed with no obligation.

Plata Marine (Juan Morante) acts as an intermediary: it does not own this boat, does not sell it in its own name or receive the sale price, and gives no warranty of its own on it. The details in this listing are provided by the owner and are indicative; the final details will be those in the sale contract. Price excludes ownership-transfer costs. We recommend a sea trial and an independent survey before you reserve. On boats in our portfolio we charge the buyer no fee.
