How I see it

A 1988 Mascot 33, a cruising sailboat with a wheelhouse: the wheel steering position is inside and under cover, which you appreciate in winter and on windy days. From the photos, the interior woodwork looks well kept.

It has a Volvo Penta MD31A 90 hp diesel with 719 hours since 2023 according to the owner. The maintenance history is confirmed with the papers, which I ask the owner for so they can be checked before reserving. The original diesel tank is disconnected and a new 85-litre tank was fitted in 2023, according to the owner.

It is well equipped for sailing: radar, Raymarine chartplotter, VHF, autopilot, wind instruments, bow thruster and electric windlass. It also has heating and an inverter, and according to the owner the safety gear is up to date, with an EPIRB and a liferaft. It comes with a rigid-floor Zodiac tender for 4 people and its 4 hp Yamaha outboard.

It is in Barcelona; the berth is rented and is not included in the sale. At 9.95 m according to the class data, you need the Spanish PER with sailing practice or a higher licence; the registered length is confirmed with the papers. The price is €46,990, VAT included: it is sold by a company, with a VAT invoice.
