Licence	PER or higher
Location	Costa Daurada (Tarragona)

My take

A 2024 Beneteau Antares 12 Fly with very few hours and the equipment that makes the difference on a boat this size: twin 400 hp Mercury outboards with joystick for full control in harbour, a Seakeeper gyro stabiliser for comfort at anchor, a generator and air conditioning.

It has twin helm stations, inside and on the flybridge, for comfortable cruising at any time of year. VAT and registration tax have already been paid in Spain.

It is currently ashore on the Costa Daurada (Tarragona) and can be viewed by appointment. The berth is not included in the sale. You need the Spanish PER licence or higher to skipper it. The price is €499,000.

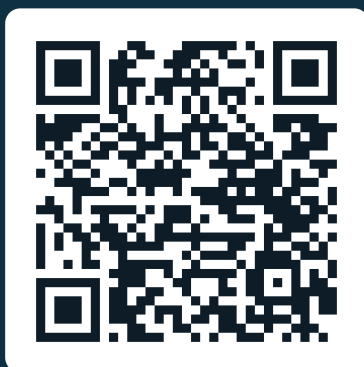

Photos will be published soon. If you are interested, message me and I will give you all the details.

Equipment: Twin Mercury 400 hp outboards, joystick, Seakeeper SK3 stabiliser, generator, air conditioning, flybridge, lower helm.
